

A THOUGHT - PROVOKING,
ACTION - PACKED MYSTICAL THRILLER

J W Nottage explores key questions relating to human destiny and redemption in *The Legacy of Wisdom*

'I do hope you're not going to tell us that Eve gave Adam an apple and the snake took over the world, which is why thousands of years later the banking system went belly up and the world economy went into a nosedive. I haven't been hanging around for years to hear the same ridiculous fairy story.' The Judge raised his eyes to heaven.

'We were to be the race that would, through evolution and wisdom, bring great fortune and gifts to the rest of the universe, but we have that double-edged sword – Freewill. You can imbue mankind with wisdom but you can't make him act on it. Time is running out. We embrace our destiny or die.' The Scientist explained.

For one last time, the secrets of redemption are going to be revealed through the mystical force of the Master of Destiny. The first and eternal Master is Lord Melchizedek, a mysterious character who holds great power and is the keeper of eternal wisdom, imparted to the human race via the Board of Destiny, the Book of Eternal Wisdom, and seven golden coins which form holograms of revelation and discovery.

2010. Head teacher and ordinary 39-year-old Dan Adams discovers that he is the unlikely modern-day Master of Destiny. His best friend Harry Bakhom is leading an archeological dig in North Western Syria, near the holy site of Ain Dara. Ancient documents and artefacts are discovered there which will answer key questions about life and death.

However, as the ancient secrets start to come to life again, a group of some of the most powerful and influential international minds are working to take control and destroy Dan. He has to battle not only for his very existence but also for the future of the human race. Who will win the final battle? What is the destiny of mankind? Will the human race harness the gift of freewill for the good of the collective? All these questions are answered in this life-changing, mystical thriller.

"I believe that mankind is facing its moment of truth. We have enormous powers of untapped wisdom, the details of which I reveal in my novel, *The Legacy of Wisdom* but we have to overcome the vagaries of freewill and use our inherent wisdom to fulfil our destiny here on earth or we will destroy ourselves. I don't believe there will be any more chances," says J W Nottage behind her motivation to write *The Legacy of Wisdom*.

About the Author:

J W Nottage is a prolific writer and author. She has previously published 8 titles, a variety of fiction and non fiction. Most of them revolve around sport, mainly inspired by J W Nottage's career and experience working in Formula One motor racing. She is presently studying for an MA in Creative Writing at Bath Spa University.

J W boasts an impressive curriculum vitae, having worked in a range of fields. Her previous roles include working on board cruise liners, followed by a stint in scientific research, after which she changed to a career in PR. After having worked for Italia '90, the Football World Cup Organising committee, she moved into the world of Formula One where she was Senior Writer and Diary Editor for *Formula One* magazine. Following this, she was Formula One correspondent for *The Sunday Times*. Recently, she has worked as a Strategic Communications and Media Consultant for a wide range of Formula One sponsors and partners including leading semi-conductor company Freescale. She has also contributed to major publications including *The Telegraph*, *The Mail on Sunday* and *The Independent*.

JW Nottage is a keen partaker in solving life's mysteries.

JW Nottage's previous titles:

The Italians

1990, Random Century

Racy, block-buster novel chronicling the life and loves of a prominent Italian family. Sold 30,000, second best seller to *Old Sins* by Penny Vincenzi.

Paul Gascoigne – The Inside Story

1993, Collins Willow

Follows Paul Gascoigne's experiences at Lazio Football Club from Jane's perspective as commercial manager and PA. Translated into Japanese.

The Italian Football Diet and Fitness Programme

1994, Thorson

The follow-on to *Royal Canadian Air Force Fitness Plan*, one of the most popular fitness books. Translated into German, Spanish and Portuguese.

Venables' England – The Making of the Team.

1996, Boxtree Limited

Written with then-England Football Manager Terry Venables. It charted the build-up to the 1996 European Championships in England.

Ferrari: The Passion and The Pain

1997, Collins Willow

An insight of the highs and lows of the most famous racing team in the world. JW travelled with them during the '96 and '97 Formula One grand prix seasons.

Eddie Irvine: Life in the Fast Lane

1999, Random Century

The best-selling, rollercoaster ride of Formula One's playboy King who almost won The Formula One Driver's World Championship.

The Gleneagles Hotel

1999, HarperCollins

To celebrate the hotel's 75th Anniversary, charting its history and events through the eyes of the people who were involved with it from the 1920s to the late 1990s.

Terry Venables' Football Heroes.

2001, Virgin Publishing

This is a co-written tribute to all the players, managers, coaches and matches that have fired Terry's obsession with "the beautiful game".
